

The Deponti Fiano Sliding Glass Doors

Enjoy your garden all year round

With our versatile and functional sliding glass doors you'll enjoy your garden buildings and veranda throughout the year. When the weather is great enjoy your outdoor space by repositioning your sliding glass doors. When the temperature drops you can change your veranda to a fully enclosed area by closing the sliding doors. This offers you the possibility to stay outside longer. The sliding glass doors offer benefits all year round, meaning you can always enjoy the best at home.

These doors can be added to verandas, garden rooms, terraces and summer houses to make the most of your outdoor living space.

Sliding glass doors provide you with shelter and space.

If you want to enjoy the outdoors longer, glass doors provide extra shelter against wind and rain. As a result, you'll always have enough light and a great view of your back garden. Moreover, our glass doors are not only a suitable addition to your veranda but also to shield your porch, garden house, cabin or balcony.

The glass panels are available in various height and width dimensions, they can run on 2 to 7 rail tracks with no additional frame. This gives you a permanent, unrestricted view you can enjoy all year round.
